World Book Day

We are going to celebrate World Book Day on **Friday 8th March**. Children can either dress up as their favourite book character or in their favourite cosy clothes and bring in their favourite book to read. There is no need to buy anything new or make special costumes for it. ***The important thing is that they have a favourite book to read!***

Attendance

Last week, our whole school attendance was 92.8%. This week, Series of Unfortunate Events has the best attendance, with an impressive 97.87%. WELL DONE!!

Please remember if your child is ill, to let the school office know as soon as possible on the day.

Lates

Late arrivals have improved slightly this week, we would like to encourage our families to make every effort to get your children to school on time so the children can settle and be ready for their lessons. Gates are open between 8.40am and 8.50am

Message from Mr Astley

Welcome back, we hope you had a lovely rest over half-term and managed to do some 'Extreme Reading'! Thank you for the photos that you have already sent in - they are great. If you haven't yet done this with your family, please do and send the pictures into school.

We have enjoyed a great first week back, with one of the many highlights being the Year 1 and 2 trip to Tamworth Castle yesterday.

There was lots of exciting History learning going on which the children will use in their Expert learning this half-term - make sure you look at the great photos on Facebook.

We have been so pleased this week that almost all children have been in school every day - let's keep this up because every day in school counts and helps your child to be the best they can be. Have a lovely weekend!

Comic Relief Red Nose Day 2024 - Reminder

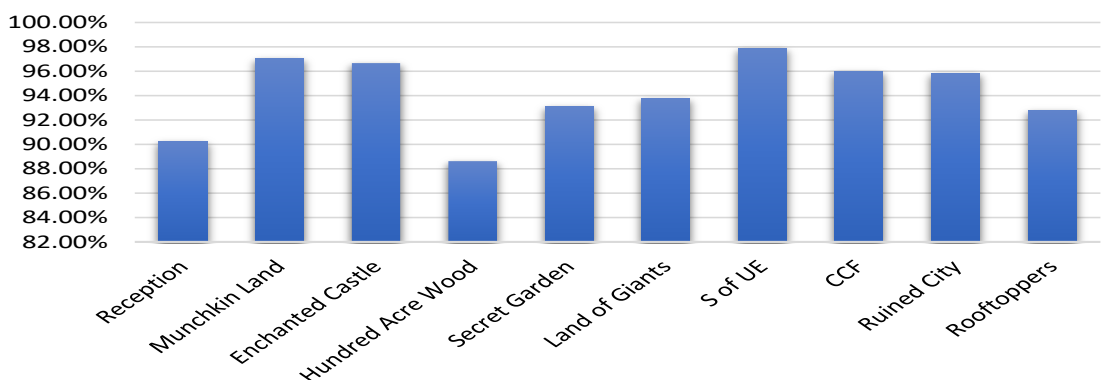

We will be celebrating Comic Relief's Red Nose Day on **Friday 15th March 2024**, Red Noses are available to purchase from the school office and they are **£2** per nose.

Parents Forum

Notes from the meeting that was held before half-term can be found on the school website (www.keresleygrange.in) in the 'What do parents think?' section. We are currently working on updating our website and information on it.

Mobile Phones and Photographs whilst on the school site

Keep mobile phones out of sight of children. You are not permitted to use mobile phones during the working day or to take photographs of children on personal devices. You must refrain from posting photos or recordings on social media, websites or any public forum.

Parking

Our children's safety is our main priority and this includes their journey to and from school. No parking is permitted in the staff car park. Please park around the school respectfully and not over private driveways or on double yellow lines. We would encourage walking to school where possible. It is not only great exercise, but also good for the environment.

Vaping

Police are asking all schools to share information about illegal vapes being sold across the city. This is mainly affecting secondary school students across the city but police want the wider community to be aware that these vapes contain drugs and substances which have caused some youths to become aggressive, foaming at the mouth, having seizures and becoming unconscious. If any youths have these symptoms then please call for an ambulance. If anyone has any information regarding the sale of these vapes, please can the police be contacted in the usual manner (Live Chat or 101). Extra information can be found on the TalktoFrank website and details of support services can be found on the Coventry City Council Website.
