Attendance

There have been a number of different illnesses going around school this week.

We would like to thank all parents for keeping us informed and for making sensible decisions about their child and trying to get them back into school as soon as possible.

Message from Mr Astley

We can't believe how much we have fitted into such a short term. Year 6 have had a fantastic few days at PGL this week - make sure you check out the photos and videos which captured lots of the action on Facebook. Thank you so much to Mrs Jephcott for organising it, and to Miss Johal, Mrs Pollard and Miss Orland for going with the children. Next week, there are more opportunities for you to be involved in school life; on Tuesday 19th we have the Y3/4 Roman Breakfast and on Wednesday 20th we have Phonics Workshops for parents. Make sure you come along, if you can, to find out about the hard work we are doing to help our children be even better readers. Look out for our special termly photo newsletter next week with highlights from the term. Next week is going to be an exciting 'finale' to the term with PTA Easter events at the end of the week.

Have a lovely weekend, and, as ever, thank you for your support.

Language, Learning, Lives

Did you know that our school aims are Language, Learning, Lives?

Language - we want our children to develop a love of language and to enjoy reading.

Learning - we want our children to learn from their mistakes and have a positive Growth Mindset.

Lives - we want our children to follow our Respect Values to be great, active members of our school community and the wider world.

Ask your children if they can remember our Respect Values, starting with RESPONSIBLE. Do they know the actions?

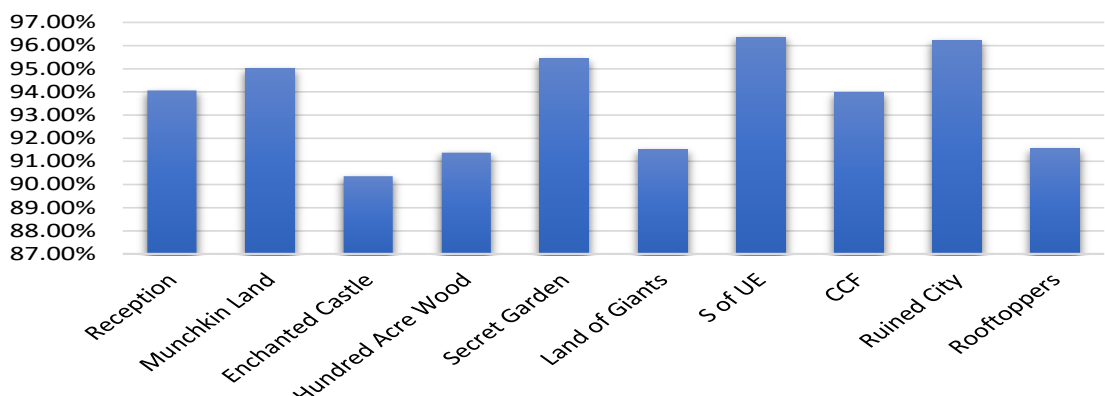

Attendance

Last week, our whole school attendance was 95.3%. This week, Series of Unfortunate Events has the best attendance, with 96.36%. **WELL DONE!!** Please remember if your child is ill, to let the school office know as soon as possible on the day.

Lates

Late arrivals have seen an improvement this week, we would like to thank our families for making every effort to get your children to school on time so the children can settle and be ready for their lessons. Gates are open between 8.40am and 8.50am

Best Attendance

Mobile Phones and Photographs whilst on the school site

Keep mobile phones out of sight of children. You are not permitted to use mobile phones during the working day or to take photographs of children on personal devices. You must refrain from posting photos or recordings on social media, websites or any public forum.

Parking

Our children's safety is our main priority and this includes their journey to and from school. No parking is permitted in the staff car park. Please park around the school respectfully and not over private driveways or on double yellow lines. We would encourage walking to school where possible. It is not only great exercise, but also good for the environment.
