This week at Keresley Grange..

Friday 19th September

Message from Mr Astley

It has been another great week at Keresley Grange. Children and teachers are really getting involved in their new learning. You might have noticed that some of our Key Stage 1 children have an outside part to their classroom now. This is an important part of our curriculum, to help our children continue to learn through play and in small groups. Through the rest of the school, we have been working hard in maths on children organising and using equipment to help them to understand about place value and what numbers 'mean'. Lots of teachers have been really proud of how well the children have been doing with this.

Make sure you keep checking on Facebook to see everything we are up to in school!

Enjoy your weekend,

Meet...Mrs Clarke (HLTA)

Hello, I am very excited to join the team!
 I have 10 years' experience working with young people; as a community arts practitioner, youth worker, and in recent years as a higher-level teaching assistant. As well as supporting the lovely children at Keresley Grange in their learning, I hope I can promote my love for gardening, the great outdoors and general planet protecting! It is my goal to help the school introduce a Forest School in 2026....
