This week at Keresley Grange..

Friday 24th April 2026

Objects from Home

Children should not be bringing things in from home unless they are needed for a specific reason and parents have asked a class teacher if they can be brought in. Children do not need their own pencil cases or games.

Award!

We are proud to have received the Barclays Equal Access to Sport Award for 2025!

Spread the word about our great school with your friends and neighbours....

Because of our expansion, we still have some places available in all year groups from September 2026 and we would love your neighbours, friends or family members to join our 'family' at KG!

We are holding an Open Morning on Wed 29th April at 9:30am – spread the news!

Message from Mr Astley

There have been lot of happy and excited Coventry City fans around school this week (parents, children and staff!) It has been such a great achievement by Frank Lampard and his team and it has helped to inspire our children to see what they can achieve if they put their minds to it. We are celebrating the promotion to the Premier League next Friday – more details will be sent out today.

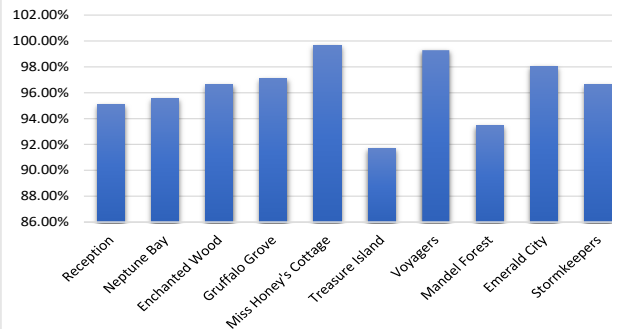

It is the right time of year for our children to feel inspired to aim high. Year 6 are really busy preparing for their SATs, Year 4 for their times table check and Year 1 for phonics screening checks. These are all really important assessments for your child to focus on as it will help them as they progress through the school to read, write and calculate confidently – really important life skills.

Please make sure you always support your child with reading each week as well as practising their spellings and maths work. Every second counts and work in each year builds up to the next year.

Our own football team played their latest match last week against Eastern Green Junior School, ending up losing to them. Our team played well and we are proud of them. Future Coventry City Premier League stars maybe?!

Enjoy your weekend and whatever you do. See you all back for 8:55am on Monday when YOUR child could win our Mega Monday prize!

Best Attendance

Attendance

Our attendance this week has been 96.3%. This is **excellent** and well above the national average attendance. Parents must remember that every day in school counts for 2 register marks so if a child missed one whole day, this counts as 2 missed marks. We aim for all children to be in school at least 96% of the time which would mean 8 days or less missed during a school year.

Did you know that research has shown that children who have better attendance in Year 1 and Year 6 do better when they get to their GCSEs? Every second really does count...

Our Children, Our Future

We are sending home a booklet from the Government about how they are helping to support poverty and help our children have a bright future.

Gate Opening and Closing Times

Both gates will open each day at **8:40am** and close at **8:55am**. All parents should be off site by 8:55am. This is important for safeguarding reasons. In the afternoon, both gates will open at **3:25pm** and will close at **3:35pm**. All parents should be off site by 3:35pm. Children who are not collected on time may be taken to Mad Hatters and you may be charged.

Driving and Parking

Thank you to all of the considerate parents who drive and park carefully around our school. We are really lucky to have such a big car park opposite our school. Please always allow enough time to get to school and park safely. When parking, please do so carefully and keep our neighbours happy by respecting their driveways.

Tip of the Week...

As a family, play a favourite playlist and dance for 15–20 minutes. Let everyone pick a song. This family activity is a great way to release stress, boost mood, and celebrate the start of the weekend.
