This week at Keresley Grange..

Friday 1st May 2026

Bikes and scooters

Scooters and bikes must be placed on or near the railings at the Annexe (at the back of the Key Stage 1 playground). No bikes or scooters should be placed at the front of the school. Any property left in school grounds is done so at your own risk.

Fiddle Toys

Some children continue to bring fiddle toys in from home. School has a range of objects which we will provide for children who need them. Children should not be bringing anything in from home unless agreed with their teacher.

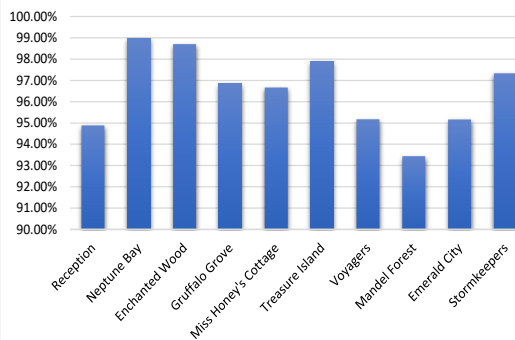

School logo competition

The competition is 'hotting up' for our new school logo. Lots of entries have already come in. Your child still has a few weeks to finalise theirs. All entries must be in school by Monday 18th May. Please make sure your child's name is on their entry. The winning logo will be our new school logo!

Lates

All children should be in school by 8:55am. Any child coming after that will need to be signed in on the machine in the main entrance and parents will need to make their lunch choices for them. We are having a particular focus on making sure children are in school on time as this is an important life skill.

Best Attendance

Cultures Day

We are holding our first ever Cultures Day on Friday 22nd May and will be inviting in parents and family members and friends of our community into school to share important parts of your culture with others. Look out for more information.

Football

Our football team lost narrowly to Eastern Green last week. They played really well but were pipped at the post.

Message from Mr Astley

It has been a great day today with a whole sea of Sky Blue across the school. It is really exciting that Coventry City have gained promotion to the Premier League as winners of the Championship and we have celebrated in style today. Children have made banners, joined in with penalty shootouts amongst other activities. It is great to see the whole of Keresley Grange as a school have worked TOGETHER to do this and will be great to see the whole city doing so over the weekend.

It has been a really exciting week and a step forward with our school expansion plans. You may have seen in the news that planning permission has been granted for a block of temporary classrooms to be built ready for September. This is a short-term but crucial addition to our site. This will provide lots of extra space for us inside and help us to continue to provide excellent learning opportunities for our children with more space from September. It also means that we can welcome some more children into our school. This will lead to some logistical changes around our use of outside space but we are working closely with the Local Authority and Futures Trust leaders and experts to maximise our lovely outside spaces during the project. It gives us a great chance to explore different parts of our site throughout the year – even if it means bringing in a pair of wellies to wear! This truly is an exceptional exciting time for Keresley Grange, arguably one of the most significant in the history of the school, and we will be providing more news and meetings for parents to outline the plans soon.

It is a great time to be in Coventry and a fantastic time to be part of our Keresley Grange family!

Have a great weekend.

Attendance

Our overall attendance this week has been 96.3%. This is excellent and well above the national average attendance. Parents must remember that every day in school counts for 2 register marks so if a child missed one whole day, this counts as 2 missed marks. We aim for all children to be in school at least 96% of the time which would mean 8 days or less missed during a school year.

Did you know that research has shown that children who have better attendance in Year 1 and Year 6 do better when they get to their GCSEs? Every second really does count...

Mr Rawes

Mr Rawes (Teaching Assistant in Key Stage 2) has left Keresley Grange today for a new venture. We wish him all the very best!

Tip of the week.....

As a family, maybe you could make some bunting or decorations for your house in Sky Blue!
