

Dear Parent/Guardian,

We're excited to announce that SDH Academy has launched a brand-new online booking system! 🎉

You can visit it here by following:

www.sdh-academy-booking.co.uk

We've been working hard behind the scenes to create a much more modern, easier-to-use booking experience for our families that will be used across all services that we provide.

Our new system will make it easier for you to **book sessions, manage your children's details and keep track of upcoming activities**, all from one place.

Our new booking system includes:

Easy online bookings – book individual or multiple sessions with ease.

Family & child profiles – securely manage your children's information in one place.

Parent calendar – see all your upcoming bookings at a glance.

Easy payments – manage payments and view your booking history.

Childcare voucher support – making payment easier for eligible families.

Direct messaging – communicate with the SDH Academy team through the platform.

Loyalty rewards – earn points and rewards as you use our services.

Child Passport – children can collect achievements and badges as they participate in services.

Instant confirmations & receipts – receive important booking information automatically.

We have set up a how to guide, please follow the link below:

<https://canva.link/kxhhctvr3vx86qo>

Any problems please do get in touch with us.

Thanks,
SDH Academy.
