KERESLEY GRANGE PRIMARY SCHOOL

What's going on this week?

Friday 25th September

The weather has clearly known that we have had a Walk To School week this week! It has been lovely to see all of the families walking to school and enjoying the early Autumn mornings and afternoons. Thank you to all families who have made an extra special effort this week. Not only is walking helping us look after our local environment but is also helping our children to be healthy – mentally and physically.

We have worked on so much and our school is so different to where it was several years ago. Each year, we continue to grow and build as a school. Each year we set targets to help us continue on our exciting journey. This year, these are all linked to our new values of BELONG, BELIEVE, ACHIEVE. Our targets are:

Have a great weekend.

Mr Astley

Attendance

This week, our whole school attendance has been 95.3%. This is a good start. We all want your children to ACHIEVE well. They can only do that if they are in school every day possible. Please remember that exceptional leave requests MUST be submitted to the office before any leave might be planned. There are very few exceptional circumstances that can be authorised and you may receive a Fixed Penalty Notice if it is not authorised.

Christmas Fair

Our PTFA Christmas Fair will be on Friday 27th November after school. Make sure you save the date. Apologies that we have previously sent out an alternative date.

PTFA Help!

Our PTFA works phenomenally hard to organize fun events and raise lots of money for the school. They need your help. Please speak to the office about what you can offer to help.

Breaktime snacks

Children in Reception, Year 1 and 2 are provided with a breaktime snack. All other year groups will need to bring in a healthy snack. Crisps, cakes or sweets are not healthy snacks.

KERESLEY GRANGE PRIMARY SCHOOL

What's going on this week?

Friday 25th September

Meet the KG staff...

Hi, I'm Miss Norton, and I am so excited to be teaching at Keresley Grange! I have always enjoyed helping children learn and grow, and I love seeing the excitement on their faces when they discover something new. My favourite subjects to teach are Science and Geography because I enjoy exploring the world around us and discovering how things work. Teaching gives me the opportunity to help children build confidence, develop new skills, and achieve their goals. Outside of school, I love reading, and my favourite books are the Harry Potter series. I can't wait to get to know everyone and have a fantastic year of learning, discovery, and fun together!

Mobile phones

Pick up and drop off are really important times of the day for families. Please make sure you respect this and give your child the best start and end of the day. Please do not use your mobile phone at all whilst on site and make sure you speak to your children about their day in school. Our staff will remind you about not using your mobile phone while on site if needed.

NSPCC Speak Out, Stay Safe

All classes in school will be learning about how to stay safe and how to respect themselves and their bodies. These lessons will be happening next week.

Safety around site

Please role model safe walking for your children. The school car park should never be used to walk through. Parents must also not use it for Mad Hatters parking.

When parking, please also be considerate of other residents and parents and park safely and carefully. Please note that anyone parking illegally outside the school gate is likely to receive a fine from the police or Local Authority. We have regular checks.

If your child rides their bike to school, please make sure they do so carefully.

Reception 2027 Open Events

We want to invite anyone with a Reception aged child in September 2027 to come to us in Reception. See the attached flier and spread the good word about us!
